Jim,

Attached is a budget submitted for the ELC grant HITECH ARRA funding.   We expect to hear from CDC on or about August 1, 2010 regarding funding.   If you need additional information, please let me know.

We are applying for an ARRA award. Ann, can you send Jim the requested information for the HITECH award? If you don't get a chance, I can do so when I get downtown.

Thanks,
Ceci

Hi All –

can you please respond back to me as soon as possible as to whether or not your bureau is in the process of applying for ARRA funding but as of now has not received an award. (I know that DPH has received several awards but this question is specific to any current applications.)

Please let me know the timetable for application and award, and the name of the grant for which you are applying.

Thanks,

Jim
